Directed Learning Courses Spring 2012

LEC offers *two* types of Directed Learning (DL): On-site DL and Online DL

On-Site Directed Learning

Taking an on-site Directed Learning course is a great option for some students, but it's not for everyone! If you choose this kind of course...

- Choose a weekly time-slot.
- Attend each weekly session...you can attend all or **a reasonable portion** of the session you have chosen.
- Be self-disciplined enough to work on your own at home with weekly help from your teacher on site at LEC.
- Aim to finish at least 10% of your course every month.

Online Directed Learning

Doing an online course has its benefits and challenges. If you choose this kind of course...

- Enjoy the flexibility of an online course...access at anytime and from anywhere.
- Be self-disciplined enough to work on your own.
- Online course-work is primarily to be completed at home with teacher support at LEC if necessary. Exams are written at LEC.
- Aim to finish at least 10% of your course every month.

IMPORTANT INFORMATION ABOUT DL

- You can register for DL courses between late August and April 30th of each school year.
- When you register for a DL course, you must also sign up for an orientation. On-site DL requires only one orientation, no matter how many on-site courses you take. Online DL requires a separate orientation for each online course.
- You may sign up for one DL course at a time. After you have completed 5% of the first course, you may sign up for a second one.
- You may be withdrawn from a DL course if you do not attend on a weekly basis or log-on regularly.
- You have a maximum of two consecutive semesters to finish a DL course, the semester in which you register and the following semester. (Exception: You have one semester to complete Grad Transitions.)
